“In addition to being a full-time student, I’m a full-time employee at River City Biologicals, and I have a son who will be 2 in July. The scholarship has lightened my financial burden and allowed me to focus on my education in a very crazy and hectic life. My degree will open many doors. Being a working mother and student has tested my determination but would be even more challenging without the support of generous organizations such as the Cape West Rotary. Thank you!”

~Tiffany Schlitt

“As a walk-on to the football team, it’s been hard to balance my time between practice, work, and academics. I’ll be graduating in May with a degree in Technology Management: Computer Networking. I couldn’t be more grateful to be a scholarship recipient because, with father passing away in 2008, my family was unable to save for my college expenses.”

~Tyler Fallert

Cape West Rotary Club
P.O. Box 446
Cape Girardeau, MO 63702-0446

In addition to helping talented students with the cost of their education, sponsors at several levels will receive seats at the Rotary Scholarship Dinner.

Guests will be treated to a multi-course feast not to be missed. From the delicious appetizers to the delectable desserts, Chartwells' chefs will have you savoring every bite.

OPEN TO THE PUBLIC

Cape West Rotary has distributed more than \$1 million in scholarships as part of a needs-based scholarship program in partnership with Southeast Missouri State University to help students with the cost of their education. Scholarships are funded through sponsorships from businesses like yours and a golf tournament.

Recipients must have financial need and be working students. Both traditional and non-traditional students are eligible. Funds can even stay in your community to help local students who attend Southeast in Cape Girardeau, Kennett, Malden, Sikeston or Perryville.

Every \$100,000 investment yields \$700,000 returned to the communities, and every donation means more students can receive financial help with their education.

Plaza Tire Service has long respected hard work and dedication. This respect extends to students who successfully balance work and academics. Their time management skills and focus on improving their future through secondary education indicates a strong work ethic. To reward their efforts, Plaza Tire Service financially supports the Cape West Rotary Scholarship program.

Plaza Tire Service has given back to the communities in which it operates since opening in 1963. By giving its support, Plaza Tire Service thanks communities for supporting its business and works to make the communities stronger. Supporting working students during their college education not only benefits the students themselves but also the communities in which they will continue working.
